## Principal's Corner

I sit tonight at my desk reflecting on another great PTO event—the Annual Pancake Breakfast and Silent Auction. We are so fortunate to have a community of parents who dedicate their time and talent to create opportunities to bring families together, celebrate our students, and raise much needed extracurricular funds for our school. We are rich in diversity and parent involvement—this event brings the best of both strengths together. Thank you to everyone who was able to volunteer, attend, and thank you to those who will consider sharing their talents for future events like these. We are stronger when we each find a way to become actively involved in our school.

Welcome Spring! With Spring right around the corner, it is also time for parent-teacher-student conferences. Conferences begin March 16 and continue through March 23. You will be contacted by your child's teacher to set up a conference or you may request one, also. These conferences are extremely important and we know everyone will make an effort to come. As our Golden Empire students continue to progress we are excited and happy to share the news with you at conference time. And don't forget, the student is expected to attend the conference, also.

Speaking of conferences, have you heard about the Home Visit Program? Home visits are just that—a visit by 2 teachers to the student's home in the hope of increasing connections between school staff and students, in your community. Golden Empire is proud to be a partner with the California Home Visit Program, a program in 12 states, nationally. The goals are simple: to increase communication between the home and school and build relationships. This visit can also help teachers have a better understanding of the various strengths and challenges faced by each student and to meet the student and their family in a relaxed setting. Ideally home visits occur before the school year begins, but anytime is a good time for a home visit. Our six teachers who are our Golden Empire Home Visit ambassadors are Mr. Frankenberger, Mrs. Bone, Mrs. Moore, Mrs. Randazzo, Mrs. Stadel and Mr. Mitchell. These teachers have already visited over 30 homes, and more are being scheduled. Will you and your child want a home visit? If so, please look for the flier coming home soon, or email Mr. Frankenberger at [norm-frankenberger@scusd.edu](mailto:norm-frankenberger@scusd.edu).

We all know firsthand the dangers our students face at drop-off and pick-up times. We have seen cars drive too fast down Canberra Dr. when students are in session. We are also seeing many of our parents jaywalk across the street, in a school zone, with their child. I am happy to share that the California Highway Patrol has a Rosemont officer that will be assigned just to our area. This officer will assist in ensuring drivers slow down and follow all traffic regulations near our school. I want to thank our school's Safety Committee, parents, and staff who have helped in ensuring our students' safety as they walk to and from school.

I look forward to seeing you all on campus soon. Thank you for supporting the Golden Empire School Community!

*Dr. Eister, Principal*

## Do You Know Your Geography as Well as Jeremy Wolfe? *Meet Our 2018 Geography Bee Winner!*

On January 27, Golden Empire held its annual Geography Bee, coordinated by 6<sup>th</sup> grade teacher Ms. Hogg-Wood and facilitated by kindergarten teacher Mrs. Randazzo. Nineteen bright intermediate students competed in this tough but interesting contest. The Geography Bee is run by the National Geographic Society and includes students in grades 4 through 8. The winner of the school Geography Bee must take an online test to qualify for the state competition. The National Geographic Bee selects the top 100 scores to compete at the state level.

We had fierce competition here at Golden Empire! Our second runner-up was Alyssa Bentz, a 6<sup>th</sup> grade student from Ms. Engstrom's class. Our 2018 Geography Bee winner is 6<sup>th</sup> grader Jeremy Wolfe from Ms. Engstrom's class. Congratulations Jeremy!!

Want to test your geographic knowledge? Try these questions taken from the Geography Bee:

1. The Sea of Azov, which borders Ukraine and Russia, is an inlet of which larger island sea?  
A. Red Sea B. Black Sea C. Aral Sea
2. Denim is a fabric named for the city of Nimes, where it was first made. This city is west of the Rhone River in what country?  
A. Italy B. Hungary C. France
3. Which of these cities has the coolest average annual temperature?  
A. Tulsa B. Miami C. Boise
4. Which of the following is not a country in Eastern Europe?  
A. Romania B. Mauritania C. Albania
5. The crocus flower, whose dried parts are used to make the fragrant spice saffron, is not cultivated in which of these countries?  
A. Poland B. Morocco C. Iran

**Answers:** 1. B – Black Sea, 2. C – France,  
3. C – Boise, 4. B – Mauritania, 5. A – Poland

## Minimum Day Schedule Begins March 16

Reminder, minimum days are from March 16—March 23. Please review the schedule:

Kindergarten - 11:35am  
Primary Dismissal - 12:10pm  
Inter. Dismissal - 12:19 pm

Before dropping your child off for school, please review with your student(s) if s/he will have lunch on campus. ASES will begin immediately after school dismissal.

Welcome to the Yearbook Corner! Each month we will share fun and important updates about the 2017-2018 yearbook.

Congratulations to 6<sup>th</sup> grade student Alyssa Bentz for winning the 2017-2018 Yearbook Cover Contest!

It's time to preorder yearbooks for \$15! Order forms were sent home this week. You can also purchase online at [schoolannual.com](http://schoolannual.com), search for Golden Empire and choose yearbook.

If you have photos you would like considered for use in the yearbook, please email them to [goldenempireyearbook@yahoo.com](mailto:goldenempireyearbook@yahoo.com). Be a part of the 2017-2018 Golden Empire yearbook!

# Library News

Can you believe it is March? We have just completed an exciting two months of Library Book Bingo and have had 47+ Bingos and two Black-Outs! I want to commend our Black-Out winners: Isreal Johnson and Kaylie Bui, both from Miss Sunahara's class. They read 36 books and wrote 36 book reviews in 18 different genres! That is wonderful!

This month, March 15, we will have our Scholastic Book Fair. Please plan to join us for our Family Night. There will be Pizza and Root Beer Floats (the Pizza Meal) for \$3.00. Reading is the single most important thing our students will ever learn. Give them a good start and keep them motivated by having good books in your home. If your children do not have a library card for the county library, that would be a great start.

Our new Destiny program is working well. Remember that this program is online and easily accessible: [scusd.edu](http://scusd.edu) - to the bottom, click on Destiny, click on Golden Empire and then Catalog. You can check to see if a particular book is in the library.

Thank you for the support you give your children. Remind them to return their library books each week. If they want to continue reading, no problem, the physical book (I have to SEE it) can be renewed and checked out for another week. Reading can take you anywhere. Turn the pages of your imagination and READ! Hope to see you at the Book Fair on March 15<sup>th</sup>!

## Make the Most of Parent, Student & Teacher Conferences

Parent-teacher conferences are great opportunities for teachers to focus entirely on parent communication. Here are some helpful tips that will make the most of your parent-teacher-student conference:

- ★ Bring your student! Most teachers have your child help lead the conference. Your child knows the routines and her/his strengths and areas for improvement. Let her be a part of this important meeting!
- ★ Learn about your child's progress. It's important to find out how your child is progressing academically as well as how he interacts with his peers, if he participates in class and if he is well behaved. Listen carefully to what your child's teacher says, and ask yourself if you note similar patterns at home.
- ★ Share your insights with your child's teacher. A conference is a good opportunity to hear from your child's teacher, and you can give the teacher valuable information that could help your child learn more effectively.
- ★ Discuss your child's strengths and challenges. Through comparing areas where your child excels with areas in need of improvement, you can identify ways to support your child's learning at home.
- ★ Ask questions. This is one of the most important aspects of a successful conference. Such as: How much time should my child spend on homework each night? How can I reinforce classroom lessons at home? What are some activities, games or other strategies that I can use to further my child's learning at home? How can I stay connected? What are some ways I can keep track of my child's progress, assignments and activities?

Do your best to make the most of your parent-teacher-student conference. The more informed you become, the better you, your child and your child's teacher can work together as a successful team.

# We Are A Leader in Me School!

As shared in the October newsletter, Golden Empire is in the 2<sup>nd</sup> year of implementing The Leader in Me program (TLIM) where students are taught and practice the 7 Habits of Highly Effective People. TLIM program empowers young people to make positive, effective, and responsible choices by introducing and reinforcing the 7 Habits, a set of leadership and life skills from Stephen Covey's book The 7 Habits of Highly Effective People. TLIM focuses on personal leadership, provides students with activities that will help them learn practical character and life skills that will lead to those positive choices. The staff at Golden Empire has made the commitment to model and implement the 7 Habits of Highly Effective People in order to provide a caring and nurturing environment for our students.

Each month we will focus on one of the seven habits to help our families become more familiar with the habits. Last month we introduced Habit 4-Think Win-Win. We will continue with Habit 5.

## Habit 5 – Seek First To Understand, Then To Be Understood

Wouldn't it be great if they "just listened?"

Habit 5 is Seek First to Understand, Then to be Understood – "Listen first." Too often instead of really listening, we are busy forming our response in our mind. This Habit is about not just hearing with our ears, but looking at body language with our eyes, and using our hearts as well. We listen to understand who that person is, how they feel about something, and how they view the world. Seeking to understand may not be fast, but it pays huge dividends in building relationships.

### Ways to Apply at Home

- Pretend Listening. Have your child try to tell you something while you are doing something else. "Pretend listen." (Uh-huh. That's nice.) Talk to them about how that felt. Have them tell you again while you give your child your full attention. Now switch. Have them play or draw while you talk. Then have them really listen. Talk about how it felt for you and them. Remind your child this kind of listening is an example of Think Win-Win.
- What Feeling? Take turns acting out feelings (happy, sad, bored, hurt, angry, hungry, etc.) without words. Try using appropriate actions rather than exaggerations.
- Repeat. Try saying the phrase "I didn't say you did it" varying the tone of voice and emphasizing a different word each time and discuss the way it alters the meaning.
- Echo. (For older kids and adults). Do you have an issue with your spouse or teen? Go to them and say, "Help me understand your point of view on this." Then really listen without interrupting. When they finish, repeat in your own words what you heard. Ask, "Is that right? Is there more?" When they feel heard then ask, "May I share how I feel about this?" Make sure to voice your concerns in a way that acknowledges the other person's value using "I" statements.

### Words to Use

- "So if I understand, you are saying \_\_\_\_\_"
- "Help me understand your point of view."
- "It seems like you are distracted. Is there a better time for me to share this with you?"
- "Is now a good time for me to share a concern I have?"
- "Excuse me, (young child.) Are you listening or pretend listening?"
- "What does your heart think she meant when she said that?"
- "I am concerned when I see (you yell at your sister/unfinished homework/etc.) because I know that you are a good kid. Last week you put away the dishes without even being asked. You are usually so thoughtful. Help me understand what is going on here."

# Thank You, and Happy Birthday

Read Across America is an initiative on reading created by the National Education Association. A major component of the project is National Read Across America Day, an observance in the United States held on the school day closest to March 2, the birthday of Dr. Seuss. Read Across America Day is a day where reading is celebrated by everyone. It is also the birthday of a very famous author, Dr. Seuss, whose real name was Dr. Theodor Seuss Geisel.

Dr. Seuss was an American writer, poet, and cartoonist. Of course we mostly know him by the many children's books he wrote and illustrated. Dr. Seuss wrote over 60 children's books including Green Eggs and Ham, The Cat in the Hat, The Lorax, How the Grinch Stole Christmas, and One Fish Two Fish Red Fish Blue Fish. In his early years he also worked as an illustrator for advertising campaigns, most notably for Standard Oil and as a political cartoonist. During World War II, he worked in an animation department of the United States Army. Dr. Seuss was born on March 2, 1904 in Springfield, Massachusetts and died in 1991 in California.

Did you know that Dr. Seuss was a perfectionist in his work and would sometimes spend up to a year on just one book? It was not uncommon for him to throw out 95% of his material until he settled on a theme for his book.

So on March 2 we celebrate the joy of reading and Dr. Seuss' birthday. We hope you take a few moments and pick up a great book. Just know that "Today is your day. Congratulations! You're off to great places, you're off and away. Today is your day. Your mountain is waiting. So, get on your way!"

"Think and wonder, wonder and  
think" -Dr. Seuss

Happy Birthday,  
Dr. Seuss! And  
Happy Read  
Across America  
Day!

## Yard Supervisors Wanted!

Want to help our Golden Empire Leaders at recess and lunch times? Want to help students stay safe? Want to make a few more \$\$? If this sounds like a win-win for you, apply for a Golden Empire Yard Supervisor position. Hours are flexible and the benefits are great! Interested? Apply in the office.

## Help Earn \$15,000 for Golden Empire!

*We Need You to Vote March 12-23!*

Help Golden Empire earn \$15,000 for our school! Just think—more sports and science equipment, music and art opportunities, and field trips for our students!

The State of California's ScholarShare 529 College Savings Plan is here to help!

The Scholar Dollars Grant Program, brought to us by State Treasurer John Chiang and ScholarShare 529, will award more than \$300,000 to California's K-8 public schools.

Help our school earn a grant by voting for our school once per day from March 12 to 23 at MyScholarDollars.com. Members of each school's community who are over the age 18, including parents, relatives, friends, faculty, and school officials, will have the opportunity to vote for their school once per day. Schools will be awarded the funding based on enrollment size--\$15,000 possible for our school!

Don't delay. The school with the most votes per category will win!

## Preparing for Spring State Testing—The CAASPP

*California Assessment of Student Performance and Progress*

The California Assessment of Student Performance and Progress, or CAASPP, is the state academic testing program. CAASPP is a system intended to provide information that can be used to monitor student progress and ensure that all students leave high school ready for college and career. The CAASPP includes computer adaptive tests in English language arts and mathematics as well as science tests for 5<sup>th</sup> grade science.

### What are the Smarter Balanced Assessments?

The Smarter Balanced assessments are computer-based tests that measure student knowledge of California's English language arts/literacy and mathematics standards. Smarter Balanced Assessments are part of the testing program called the California Assessment of Student Performance and Progress (CAASPP).

### What will the Smarter Balanced tests measure?

Smarter Balanced tests provide one measure of student knowledge of the subject matter, critical thinking, analytical writing, and problem solving skills they need to prepare for and succeed in today's world. These assessments provide important information as to whether students are on track to pursue college and career by the time they graduate from high school. The tests provide timely and actionable student information so that teachers and schools can adjust and improve teaching.

### When will we test at Golden Empire?

Lessons learned from last year's test will help ensure a successful implementation of the CAASPP system this school year. Golden Empire students will take the CAASPP tests in grades 3 - 6 from April 23 through May 26. Students will not be testing this entire time span—each grade level will test for approximately one week, total. An exact schedule will be sent home soon.

### What about 5<sup>th</sup> graders taking the Science test?

California Science Tests (CAST) will be piloted again this spring. All students enrolled in 5<sup>th</sup> grade will be administered the pilot test. This new assessment is aligned with the California Next Generation Science Standards. The California Standards Test (CST) will no longer be administered.

### How can I learn more about these tests?

To learn more about these tests, visit CDE's Test Score Guide Web site at <http://www.testscoreguide.org/ca>, which provides informative guides and test score descriptions as well as sample test items at different levels of difficulty. Another great resource are the Practice and Training Tests, which can be found on the CDE's Smarter Balanced Practice and Training Tests Web page at <http://www.cde.ca.gov/ta/tg/sa/practicetest.asp>. Here, parents can experience the kinds of questions that students will encounter on the tests.

### Will parents/guardians receive individual score reports?

Following the spring 2018 testing, students will receive individual score reports. Student score reports will be sent home to parents and will include an overall score, a description of the student's achievement level for English language arts and mathematics, and other information.

## What is Academic Talent Search?

Academic Talent Search (ATS) is a non-profit organization sponsored by CSU, Sacramento (Sacramento State). ATS provides educational experiences that are mentally stimulating, fast-paced, fun & geared for 4<sup>th</sup>–9<sup>th</sup> grade students. Over 2,400 students attend ATS each summer. Students accelerate their learning in traditional subjects like math & explore new topics not available in regular school. ATS teaching staff includes University faculty, community college professors, public/private school instructors & industry professionals. Students take a qualifying test to determine appropriate placement in the summer courses (this already occurred here @ Golden Empire, but you can contact the ATS office at 916. 278.7032 for the next testing date). Financial aid is available. Visit [www.csus.edu/coe/ats/](http://www.csus.edu/coe/ats/) for more information.

# Thank You

For Being So “Golden!”

▪ To Mary Brittain for all of her help in organizing and facilitating our Annual Pancake Breakfast and Silent Auction. Thanks to the Golden Empire Community, we raised \$4666 for our school's PTO. These funds will be used for field trips, classroom enrichment resources, and for funding our school band. Thank you all for your generosity!

▪ To all the businesses, companies, and organizations that donated to our Silent Auction. You are wonderful and generous!

▪ To Jas Singh for updating our Excellent Eagle Effort board!

▪ To all of our classroom helpers. We couldn't do our work without your support!

## GE Students Prepare for March Multiplication Madness (M<sup>3</sup>)

We all know how important it is for students to memorize their multiplication tables; not knowing the tables makes math difficult. Golden

Empire teachers and staff have emphasized multiplication tables, making it a school-wide focus. On March 22, 2<sup>nd</sup>–6<sup>th</sup> grade students will take a test consisting of 100 problems. Second graders will have 6 minutes, 3<sup>rd</sup> graders will have 5 minutes, 4<sup>th</sup> graders will have 4 minutes and 5<sup>th</sup>–6<sup>th</sup> grade students will have 3 minutes to try and complete 100 multiplication problems successfully. Students who successfully complete 100 multiplication problems with 100% accuracy will be rewarded with an ice cream treat, extra recess, a certificate and a Brag Tag. Furthermore, ready for this? There will be some students who will still have time to complete extra problems during their allotted time. The student in each grade (2<sup>nd</sup>–6<sup>th</sup>) who completes the most questions beyond the first 100 problems will each receive a gift card honoring their accomplishment! Wow! We wish our Eagles happy memorizing in preparing for M<sup>3</sup>!

## We Need Your Support for GE's Basketball Team!

Golden Empire has joined Einstein Middle School's Basketball League, ready to take on 9 other local elementary schools for the bragging rights of League Champion.

All are welcome to come out to watch and support the Golden Empire Team. All games are played at Einstein Middle School's Gym. The schedule is as follows. Go Golden Eagles!

Date	Time	Playing Against...
Tues., 3/6	3:30 pm	Phoebe Hearst
Tues., 3/13	3:30 pm	James Marshall
Tues., 4/3	3:30 pm	O. W. Erlewine
Tues., 4/10	3:30 pm	Camellia

Thank you for joining us for our annual Pancake Breakfast and Silent Auction last month! The food was delicious, the silent auction and raffles were fun, and announcing the Disneyland winner is always exciting! Through your donations, silent auction bids, raffle ticket and meal ticket purchases you helped raise over \$4,600 for the PTO! Thank you!

This event was possible due to the hard work of our Pancake Breakfast Coordinator, Mary Brittain. Thank you Mary for a fun and successful event! Another thank you to all of the parents, teachers and staff who volunteered their time and energy for this event and to our students and families for joining us! Also, a very special thank you to our superintendent, Dr. Aguilar and our school board member, Christina Pritchett for having breakfast with us!

The PTO is busy planning a new event this year! A special VIP Dance "I Am Lucky to Have You!" on Friday, 3/16. Students can bring a VIP adult to attend the dance with them and enjoy a night filled with snacks, dancing and making memories. Tickets go on sale soon!

The PTO is also excited about our upcoming Box Tops Movie Night Challenge. This month students can submit their Box Tops to vote for the movie they would like to see at our Annual Movie Night on May 4th! Send in those Box Tops to make sure your favorite movie wins!

Robin Wilson, PTO President  
goldenempirepto@gmail.com

## They Lost It—We Found It!

We have a number of items collected in our Lost and Found clothing rack. Each morning Mr. Ron, our Plant Manager, places the rack out front near the cafeteria doors hoping the items will find their owners! Any items not finding their owners are sent to the District's Clothes Closet on a monthly basis. If your child has lost something, feel free to come by and look.

## Pennies for Patients Update

Many thanks to Mrs. Brown for sponsoring the "Pennies for Patients" drive to support leukemia research. Thank you to each and every person for sending in your spare change for this worthwhile fundraiser for needy patients, right here in our community.

Our students raised a whopping \$2,140.57! This is the most Golden Empire students have ever donated!

The primary class which raised the most amount of money was Ms. Macey's class, with a total of \$120.80! The kindergarten class who raised the most amount of money was Ms. Stadel's class, with a total of \$109.93! Wow!

Special recognition goes out to Mr. DaCastello's class, which raised \$432.00 with only 16 students! Way to go, students!

Congratulations, Golden Empire students, for a job well done!

## More Time for Reading!

We are thrilled to share that our school library is open every morning, from 7:30—8 am! Students can come to the library each morning before school instead of sitting in the cafeteria. Or, after the students eat breakfast, they can then go to the library to read or browse for new library books. We are so excited to offer this opportunity to our students and are very thankful to Mrs. Perry for her time and efforts. We hope your student will access our library before the start of school!

## Help End School Zone Jaywalking

Families, just a reminder that Sacramento County has a School Zone Jaywalking Ordinance. Jaywalking across the street, especially with your child, is an offence. The ordinance is strictly enforced 30 minutes before school begins and 30 minutes after school begins as well as 30 minutes prior to the end of the school day and 30 minutes after school dismissal. It is everyone's responsibility to model safe traffic regulations for our students. We need all of our parents and guardians to do the right thing and use the cross walk each and every time you cross the street.

## The Staff Parking Lot

The staff parking lot is for staff members only. Families have been seen pulling into the parking lot to drop off or pick up students. The staff parking lot is not a place for students. Please help us in

keeping our students safe! Do not use the parking lot to drop off your students. Please do not park in the parking spaces, as there are not enough parking spaces for staff members. Thank you for your cooperation.

## Remember to Sign-In When Entering the Instructional Area

Keeping safety at the forefront at Golden Empire, remember to always sign-in at the front office before entering the school grounds during school hours. Most of our families are well aware of this policy, but it is just a good reminder, as this policy is enforced by Penal Code

627.2. This regulation is to ensure our students and staff are always safe, and to ensure we always know who is on campus in case of an emergency. When you sign in, we will be asking you to wear a visitor's label showing that you have registered in the office. While this is not a new policy, we just have to remind everyone to take this extra step. We appreciate your help and understanding.

## Show Your Golden Eagle Spirit and Pride!

Each Friday is Eagle Spirit and Pride Day. To show your Eagle Pride, simply wear blue or yellow/gold or your Golden Empire shirt on Friday! If you would like to purchase Eagle Wear, order forms are available in the school office. In-stock items will be sent home with your child within 2 days; items needing to be ordered may take a few weeks for delivery. Questions about Eagle Wear? Please contact Keri Creeger @ 395.4580. GO EAGLES!!!
